Medical License Florida.

Languages fluent in Spanish; semi- conversant in Italian/Portuguese/German

EDUCATION

New York University School of Medicine, M.D., May 1989.

Cornell University – College of Arts & Sciences, A.B. in Biological Sciences, concentration in Physiology, 1985.

RESIDENT/FELLOWSHIP TRAINING

- AO fellowship under direction of Dr. Med. Klaus Lowka, Freiburg, Germany. Additional training in France, Switzerland and Italy. 8/95-10/95.
- Hand and Upper Extremity Fellowship at Allegheny General Hospital, Pittsburgh, PA. Dr. J. Imbriglia, director. August 1st, 1994-July 30, 1995.
- Orthopedic Surgery Residency – NYU Medical Center/Bellevue Hospital, NY VA Medical Center 1990 to June, 1994.
- General Surgery Internship – NYU Medical Center/Bellevue Hospital 1989 to 1990.

PRACTICE HISTORY

- December, 2008 to present
Surgeon, founder and President, BADIA HAND TO SHOULDER CENTER
Doral, Fl
- May, 2010 to present
Founder, Medical Director and Hand surgery consultant, *OrthoNOW*[®]–
Immediate Orthopedic Care Center Doral, Fl center.
- April, 2012 to present
Founder, Chief Medical Officer and principal shareholder, *OrthoNOW* network
of orthopedic immediate care centers (licensing program/past franchisor)
- January to December, 2009 Owner/Franchisee DoctorsNOW urgent care
center Doral
- October, 1995 to November, 2008 Co-Founder, MIAMI HAND CENTER,
8905 SW 87th Ave. Ste 100 Miami, Fl Partners: Jorge L. Orbay, M.D.,
Roger K. Khouri, M.D., Eduardo Gonzalez, M.D., Stephen Alex, M.D.

PRESENTATIONS AT SCIENTIFIC MEETING

“A New Technique for Bony Mallet Finger Fixation”, “A Simple Dynamic External Fixator for PIP Joint Fracture-Dislocations”, “Arthroscopic Assistance in Rigid Fixation for Distal Radius Fractures” and “Arthroscopic Reduction and Internal Fixation of Bony Gamekeeper Lesions” Badia A, Orbay J, Gonzalez E, Khouri R all presented at American Assn for Hand Surgery Annual Meeting, Fajardo, Puerto Rico, January 12th-14th, 2005.

“Fracture-Dislocations of the Proximal Interphalangeal Joint: Results with a Simple Dynamic Fixator”, “ Arthroscopic Assisted Fixation of Intra-Articular Distal Radius Fractures”, “A Simple Fixation Method for Unstable Bony Mallet Finger” Badia A, Orbay J, Gonzalez E, Khouri R all presented at 9th congress of the International Federation of Societies for Surgery of the Hand, Budapest, Hungary June 13-17, 2004.

“Volar Plate Fixation of Dorsally Displaced Distal Radius Fractures” presented at combined meeting of British Society for Surgery of the Hand and ASSH, Cambridge, England, April 7, 2003.

“Arthroscopic Treatment of Early Basal Joint Osteoarthritis” and “Treatment of Dorsally Displaced Distal Radius Fractures with Volar Plate Fixation” Badia A, Orbay J, Gonzalez E, Khouri R. Podium presentations at combined meeting of Italian and Spanish Hand Surgery Societies and Vth Ibero-American Encounter of Hand Surgery Societies, Florence, Italy Sept. 25th-28th 2002.

“CMC Arthroscopic Debridement and Metacarpal Base Osteotomy for Early Basal Joint Arthritis” Badia A, Orbay J, Gonzalez E, Khouri R. Podium presentation at American Ass. For Hand Surgery, Cancun, Mexico, Jan. 2002.

“Arthroscopic Debridement and Metacarpal Base Osteotomy for Early Basal Joint Arthritis” Badia A, Orbay J, Gonzalez E, Khouri R. Podium presentation at VIIth Congress of Federation of European Societies for Surgery of the Hand, Barcelona, Spain, June, 2000.

“Volar Plate and Subchondral Peg Fixation for Dorsally Unstable Distal Radius Fractures” Orbay, J., Badia,A., Khouri, R., Indriago,I. Podium presentation at AAOS annual meeting , Orlando, Florida, March, 2000.

“CMC Joint Disease: Arthroscopic Assessment and Management” Badia, A., Berger, R., Luchetti,R., Orbay, J., Khouri, R. Podium presentation at American Assn. For Hand Surgery Annual Meeting, Miami Beach, Fl. Jan. 7, 2000.

“Percutaneous Intramedullary Nailing of Metacarpal Fractures” Orbay, J.,Badia, A., Khouri,R., Indriago, I. Podium presentation at American Society for Surgery of the Hand Annual Meeting, Boston, Mass. September, 1999.

"Total Elbow Joint Reconstruction with a Free Vascularized First Metatarso-Phalangeal Joint Transfer" Khouri, R., Orbay, J., Badia, A., Connell, A. Podium presentation at American Society of Reconstructive Microsurgery meeting, Hawaii. January, 1999.

"A New Technique for Percutaneous Intramedullary Fixation of Metacarpal Fractures" Orbay, J., Badia, A., Indriago, I., Khouri, R. Podium presentation at American Assn. for Hand Surgery meeting, Hawaii. January 1999.

"Treatment of Unstable Dorsally Displaced Distal Radius Fractures with Volar T-Plate and Peg Fixation" Orbay, J., Connell, A., Badia, A., Khouri, R. Podium presentation at ASSH annual meeting, Minneapolis, Minnesota. September, 1998.

"Use of Free Flaps in Outpatient Surgery" Kutlu, N., Khouri, R., Badia, A., Orbay, J. Podium presentation at American Society for Reconstructive Microsurgery (ASRM) annual meeting, Scottsdale, Arizona, 1998.

"The Thenar Flap for use in Hand Reconstruction" Khouri, R., Orbay, J., Kutlu, N., Badia, A. Podium presentation at ASRM annual meeting, Scottsdale, Arizona 1/98

"Treatment of Metacarpal Fractures with Antegrade Intramedullary Pinning". Orbay, J. Kutlu, N., Badia, A., Khouri R. Podium presentation at ASSH meeting, Denver 1997.

"Effectiveness of Local Bupivacaine in Facilitating Discharge after Outpatient Hand Surgery" Badia, A., Baratz, M. Poster presentation at American Society for Surgery of the Hand meeting, Nashville, October, 1996.

"Distal Interphalangeal Joint to Proximal Interphalangeal Joint Homodigital Island Transfer" Khouri, R., Young-Jin, S., Badia, A., Orbay, J

"Sodium Hylan for the Prevention of Postlaminectomy Scar Formation" Weiss, C., Suros, J., Dennis J., Denlinger, J., Badia, A., Montane, I. Presented at International Society for the Study of the Lumbar Spine. Miami, Florida, October 28, 1987.

INVITED LECTURES

"Tennis injuries of the Wrist & Elbow" at WCESM (World Congress of Exercise and Sports Medicine) annual conference, Dublin, Ireland. Nov 3,4th 2018.

"Mgmt of Distal Radius Fractures in Young Patients", "The Floating Lunate" and "Arthroscopic Mgmt of Tennis Wrist Lesions" all presented during annual Lyon International Advanced Wrist Course. Lyon, France. Oct. 18-20, 2018

“Surgical Mgmt of Hand and Upper Limb Osteoarthritis”, “Treatment of Proximal Humerus Fractures in Osteoporotic Patients”, “Treatment of Athletic Hand and Wrist Injuries” and “Arthroscopic Mgmt of Thumb Basal Joint Arthritis” all presented during the 18th CNNOT (Congresso Norte Nordeste do Ortopedia e Traumatologia) Congress, Maceio, Alagoas, Brasil. J Aug 30-Sept 1 2018.

“Mgmt of Articular Fractures of the Elbow”, “Radial Head Fractures”- IBRA Symposium , “Small Joint Arthroscopy”, “What’s new in Wrist Arthroscopy”- EWAS Symposium, “Treatment of Athletic Hand and Wrist Injuries” and “Reconstruction for Distal Radius Malunions” at ASOCIMANO 34th Congress of the Colombian Association for Surgery of the Hand, Medellin, Colombia August, 22-25, 2018.

Team Captain “Anglo Saxons” for Game of Thrones Battle of the Tribes case competition during FESSH Copenhagen. June 15,2018. Copenhagen, Denmark.

“Arthroscopic Mgmt of Articular Metcarpophalangeal fractures” EWAS Symposium: Arthroscopic Assisted Fracture Treatment, FESSH congress, Copenhagen, Denmark. June 16. Copenhagen, Denmark.

“Perilunate Injuries” and “Tennis Injuries to the Wrist” presented during annual Barcelona Open and Arthroscopic Wrist Surgery Course including cadaveric exercises, Barcelona, Spain. June 8-9, 2018.

“Innovations in Orthopedic Healthcare Delivery” lecture in AAOE (American Academy of Orthopedic Executives) annual meeting. Orlando, Florida April 14, 2018.

“Artroscopia Trapeziometacarpiana del Pulgar” at ILA Congreso Iberoamericana de Cirugia de Mano Riviera Maya, Mexico, Abril 12-14, 2018.

“Thumb CMC Arthroscopy: Classification that affects Treatment Algorithm”, “Metacarpophalangeal Arthroscopy: Indications and Treatment” and “Arthroscopic Mgmt of Carpal Instability” and Live cadaveric surgery demo of Thumb CMC Arthroscopy all presented at V Theoretical-Practical Course of Surgical Skills: Wrist and hand advanced arthroscopy” Madrid, Spain, Feb 15, 16, 2018.

“Lesiones deportivas de Mano y Muneca (hand and wrist sports injuries)” Virtual lecture given via Zoom to Physical Therapy congress, Lima, Peru Aug 6,2017.

“Upper Limb Arthroscopy Advances”, “Mgmt of Complex Elbow Fractures”. “Prosthetic Elbow Reconstruction”, “Mgmt of Hand and Wrist Athletic Injuries” and “Advances in Distal Radius Fracture Treatment” presented during Curso de Actualidades en Cirugia Ortopedica Hospital ABC, Santa Fe, Mexico City, Mexico August 3-4, 2017.

“Update in Thumb CMC Arthroscopy” EWAS round table symposium, FESSH annual congress, Budapest, Hungary June 24 2017.

“OrthoNOW: Development of the orthopedic urgent care concept” presented to Orthopedic Society of Jalisco, Mexico. Guadalajara, Lectures on arthroscopy and arthroplasty of hand, wrist, elbow and shoulder during 6th annual Upper Limb Course (Convenor Dr. Oscar Orozco) Guadalajara, Mexico May 26,27 2017.

“TM Arthroscopy of the Thumb” Moderator “Wrist session II” ISSPORTH meeting, “Update in Wrist & Hand Arthroscopy” Milan, Italy May 12, 2017

“Scaphoid Fractures, Arthroscopic Mgmt of Shoulder Labral lesions, Arthroscopy for Ulnar sided Wrist Pain, Thumb CMC Arthroscopy, Total Wrist Arthroplasty” given at Mexican orthopedic society- LVII Congreso Nacional de Ortopedia y Traumatologia - Acapulco, Mexico, April 28 to May 2 2017.

“Advances in Hand & Upper Limb Surgery” No Pain Rehab Clinic, Lima Peru.
“Tennis injuries of the wrist, elbow and shoulder” Lima Tennis Club Jan 12,2017

“Ulnar sided wrist pain in athletes” ISSPORTH panel, “Carpal injury” panelist and moderator, “Distal radius fx round table” IFSSH Congress (triennial), Buenos Aires, Argentina, Oct 24-28, 2016.

“Advances in small joint arthroscopy” and “Athletic injuries to hand and upper limb” presented at annual SLAOT congress, Punta Cana, Dominican Republic Oct 12-15, 2016

“Orthopedic urgent care/Amb Surgery Centers as strategic focus for Work Comp” Instructional course on Worker’s Compensation during annual ASSH congress, Austin Texas, Sept 27-29, 2016.

“Rheumatoid hand, wrist and elbow reconstruction”, “Post-traumatic Elbow reconstruction”, and “Advances in wrist arthroscopy” at 10th annual Orthopedic Society of Paraguay, Asuncion, Paraguay Sept 14-16, 2016.

“Advances in Hand/Wrist Arthroscopy” grand rounds given at hand unit of Malmo University Hospital, Malmo, Sweden, June 29, 2016.

“Wrist arthroscopy -diagnostic What is Normal? Moderator, EWAS session during annual FESSH Congress, Santander, Spain June 23-25, 2016
“Shifts in Orthopedic Healthcare Delivery: role of ASC and Ortho urgent care centers” at OMTEC annual conference, OrthoWorld, Rosemont, Ill June 15, 2016

“Economics of OrthoNOW and outpatient orthopedic trauma surgery” presented to ITS company leadership, Graz, Austria, May 26,2016.

“Management of Common Hand, Wrist and Upper Limb Pathology in Urgent Care Setting” presented at UCAOA national urgent care annual conference Orlanod, FL April, 19, 2016.

Panel discussion (with Arminda Figueroa) on Orthopedic Urgent Care development at Conference on Multicultural Marketing in Health and Wellness, Minneapolis, Minnesota March 24, 2016.

“Advances in upper limb surgery” presented to orthopedic staff, Hospital del Valle, San Pedro Sula, Honduras, Feb 25, 2016

“Management of Failed distal radius surgery” during Instructional course on Complications of Distal Radius Fractures” annual AAHS congress, Scottsdale, Arizona, Jan. 15, 2016.

Multiple panel discussions during Medical Tourism trade mission trip to China – Guangzho, Wouzu, Hainan, Guilin and Yuangsho, China Nov 8-18, 2015.

“Bicep/Tricep tendinosis/injury in athletes” and “Ulnar sided wrist injury in elite tennis players” at FISIC sports medicine congress (Fortius clinic event during Rugby World Cup) Oct 13-14, 2015.

“Cutting edge concepts in Hand and Wrist Arthroscopy” grand rounds presented to Hand unit of the Wrightington Hospital, Wrightington, UK Oct. 8th, 2015.

“Hand & Upper Limb care for international patient” for Dominican Medical Society, Santo Domingo, Dominican Republic, Aug 28, 2015.

“Advances in Wrist and Hand Arthroscopy” and “Sports injuries to upper limb” at XXIII annual SLAOT Congress, Mexico City, Mexico Aug 18-20, 2015.

“Arthroscopic Interposition Arthroplasty of Radiolunate Joint” EWAS presentation during FESSH meeting, Milan June 18th, 2015.

“Wrist Injuries in High Level Tennis Athletes” presented at 14th STMS World Tennis Medicine Congress, May 8th, 2015 Rome, Italy.

“Mgmt articular fracture sequelae”, “Volar Plating: a technical overview”, presented at IBRA annual course, Miami, Epic Hotel April, 2015.

“Upper Limb Post-Traumatic Reconstruction for Arthritis”, “Arthroscopy for Carpal Instability” at International Advanced Orthopedic Conference, March 11, 2015, Dubai, UAE. Moderated session on Hand/Wrist trauma and participant in distal radius fx symposium.

“TFCC injuries in Athletes” during *Sports Injuries in Weekend Warriors* symposium, “Maximizing economics in Private Practice” during *Changing*

Economics of Healthcare Instructional Course during AAHS annual meeting, Jan. 9-11th, 2015, Nassau, Bahamas.

“Carpal instability and TFCC Arthroscopy”, “Arthroscopic Distal Radius and Scaphoid Fx Mgmt”, and “Update in thumb CMC Arthroscopy presented at Masters Hand and Wrist Smith and Nephew Course, Carolinas Medical Center, Charlotte, NC. 1 of 2 faculty members. Nov. 8, 2014.

“Digital injuries in Basketball Players”, “Wrist Injuries in Tennis players” presented will chairing ISSPORTH symposium in Argentinian Society for Surgery of the Hand Sports symposium within annual meeting, Buenos Aires, Argentina, Oct 15th, 2014

“PIP fracture dislocations: External Fixator” presented at combined AAHS and AACM meeting in Buenos Aires, Argentina, Oct 13,2014.

“Digit injuries in the Athlete”, “Arthroscopic Mgmt of Skier’s Thumb” presented at ISSPORTH symposium within APFSSH congress, Kuala Lumpur, Malaysia, Oct. 2, 2014. “Is the dorsal approach redundant debate: Argument for Volar Approach” versus Professor Chow of Hong Kong, Oct. 1st, 2014.

“Orthopedic Urgent Care Centers as part of Integrated Network” in Business of Hand Surgery Instructional Course, annual ASSH meeting, Boston, September 15, 2014.

“Arthroscopy of the Thumb CMC Joint” at EWAS wrist arthroscopy course and lab faculty at IRCAD cadaver lab course Barretos, Brazil, August 15, 2014.

“Sports Related Hand and Upper Limb Injuries” presented to Goianias Hand Surgery club, Brasilia, Brazil, August 12, 2014.

“Cirugia de Epicondilitis”, “Lesiones del Biceps Distal” y “Codo Beisbolista” presentado en curso de lesiones deportivas, Sociedad Ecuatoriana de Ortopedia y Traumatologia, Guayaquil, Ecuador, July, 2014.

“Complications of Articular PIP fractures” and “Technical Aspects of Volar Plate Fixation” presented at 6th annual IBRA meeting: Trauma and Reconstruction of Upper Limb. Deuville Hotel, Miami Beach, April 25, 2014

“Mgmt of Upper Limb Trauma” and “Arthritis Reconstruction of Hand and Upper Extremity” presented at annual NACR Meeting, Caribbean division of American Physical Therapy Assn. Miami, FL, April 25, 2014.

“Arthroscopy option for Basal Joint Arthritis: Video presentation at 2014 Hand Specialty day, annual AAOS meeting, New Orleans, March, 15, 2014.

“ARP Wave Technology in management of Upper Limb Problems” presented at

5th anniversary celebration of founding of Caribbean Hand Centre, Port of Spain, Trinidad and Tobago, Jan. 25th, 2014

“Digital Injuries in Athletes” at Sports Hand injury instructional course, “Mgmt of Failed Thumb CMC Arthroplasty” at Conservative Thumb CMC Arthritis instructional course during annual meeting of AAHS, Jan. 11th, 2014.

“Arthroscopic Interposition Arthroplasty of Thumb CMC”. Presented at 30th EWAS course at IRCAD center, Strasbourg, France, Nov. 30th, 2013.

“Arthroscopic Approaches to the Wrist”. At 1st ever Wrist Open and Arthroscopic Surgery Cadaver course, Italian Hand Society (SICM) in ICLO lab, Arezzo, Tuscany, Italy. Nov. 22, 2013.

“Hand and Wrist injuries in Athletes” and “Minimally invasive wrist surgery” presented at annual Montreal Hand Club meeting of ASCPEQ, Hotel Place D’Armes, Montreal, Quebec, Canada Nov. 9, 2013.

“Management of Athletic Hand and Upper Limb Pathology” presented at Cayman Physiotherapy, Georgetown, Cayman Isles, Nov. 15, 2013.

“Role of Arthroscopy in Mgmt of Distal Radius Fractures”, “Evolution of treatment for Distal Radius Fractures” and “Elbow Reconstruction: New Indications” all at 39th annual congress of Argentinian Hand Surgery Assn. (AACM) San Luis, Argentina Oct, 11-13, 2013.

“Advances in Upper Limb Minimally Invasive Surgery for Rapid Rehabilitation” presented as invited symposium of Argentinean Kinesiology Association (AAK) Buenos Aires, Argentina, Oct. 9, 2013.

“Surgical reconstruction of Hand and Upper Limb: New Advances” presented at FUNTER national rehabilitation center, San Salvador, El Salvador, Sept. 6 2013.

“Sports Injuries of the Elbow” at 3rd annual OrthoNOW Sports Medicine Symposium, MARC Center, Doral, Florida. Aug. 27,2013.

“The Jammed Finger” at annual meeting of Florida Hand Society, May 17, 2013.

Rio de Janeiro, Brazil April 24, 2013.

Naples, Fl, New Delhi, India, Miami, Rio de Janeiro, Azarro, Italy

“Wrist and Hand Arthroscopy”, “Athletic Injuries of the Hand and Wrist”, and “Endoscopic Carpal and Cubital Tunnel Release” presented at 6th international conference of Royal Medical Services, King Hussein Convention Center, Amman, Jordan, Nov. 21, 2012.

“Trapeziometacarpal Arthroscopy: Classification and Treatment Algorithm”,
 “Treatment options for Basal Jt Arthritis” and “Endoscopic Cubital Tunnel
 Release” presented at 8th APFSSH (Asian Pacific Federation of Societies for
 Surgery of the Hand) congress, Bali, Indonesia Oct. 9-11th, 2012.

Instructor for advanced course of 2012 Hong Kong Annual Wrist Arthroscopy
 Workshop and live surgery demonstration transmitted from Prince of Wales
 Hospital (thumb CMC arthroscopic interposition arthroplasty), Hong Kong, China
 Oct.8-9, 2012.

“Distal Radius Extra-Articular Osteotomy: Volar Approach” presented at Hong
 Kong Symposium on Distal Radius fractures and related disorders”, Prince of
 Wales Hospital, Hong Kong, China Oct, 7th, 2012.

Live Surgery demonstration – Arthroscopic rotator cuff repair narration to annual
 meeting of Annual meeting of Fla Assn of Occupational Nurses, Sept. 14th, 2012,
 Orlando Fl narrated from Miami. Sept. 15th, 2012

Endoscopic cubital tunnel hands on workshop instructor, Integra lifesciences
 industry course, annual meeting of ASSH, Chicago, Ill, Sept. 7th, 2012.

“Ambulatory internal fixation of upper limb trauma with Titanium plates”
 industry lecture presented for ITS systems, Faena hotel, Buenos Aires, Argentina,
 Aug.23, 2012.

“Lunotriquetral ligament tears as cause of occult ulnar sided wrist pain”,
 presented during EWAS session of annual meeting of FESSH, Anwerp, Belgium
 June, 21, 2012.

“Athletic injuries to DIP and PIP joints” presented as moderator/chairman hand
 breakout session of annual Fla Ortho Society meeting, Sarasota, Fl June, 1,2012.

“Jammed Finger: Athletic digital injury misconceptions”, presented at annual
 OrthoNOW Sports Med FIU symposium, MARC Center, Doral, Fl May 24,2012.

“Arthroscopic Management of Concomitant SL and LT ligament tears”,
 “Endoscopic cubital tunnel release”, IC course organizer of arthroscopic
 assistance for distal radius fractures, and live surgical demo of thumb basal joint
 arthroscopic interposition arthroplasty (remote video live transmission from
 Hospital de Levante) 30th congress of Spanish Arthroscopy Assn. (AEA),
 Valencia, Spain, May 9-11, 2012.

“The athlete’s jammed finger: a term to be abolished” ISSPORTH symposium on
 athletic hand injuries in 56th annual meeting of Nordic Orthopedic Federation,
 Tallinn, Estonia. May 3, 2012.

“Arthroscopic assistance in distal radius fracture fixation: 3rd International IBRA meeting, Hyatt hotel, Doral, Florida and Lab director, MARC Center for course. Surgical demo on distal radius osteotomy. April 27-28, 2012.

“Orthopedic and Hand Surgery for the Inbound Medical Tourist Patient” presented at Sagicor and Guardian Life Insurance companies, Kingston, Jamaica April, 13th, 2012.

“Treatment of Articular MCP/PIP fractures” given at annual Demystifying the Hand lecture series, Fla. International Univ. March, 23rd, 2012.

Lecture/ Cadaveric demo on: Percutaneous trigger release, dynamic PIP external Fixator, and thumb CMC total joint arthroplasty. Scaphoid injury panelist: treatment of micro proximal pole fractures/non-unions and “small joint injury” panelist at 14th annual Philadelphia Hand Course (Honored Professor Status) March 3-5th, 2012

“Thumb CMC joint Arthroplasty Options and Treatment Algorithm” in hand/wrist arthroplasty symposium session at 18th annual Philadelphia Hand Rehab Course, March 5th, 2012, Philadelphia, PA.

“MCP and PIP Arthroplasty of the Hand” and “Total Wrist Arthroplasty Update” both given at 7th annual Miami Hand Course, Doral, Fl Feb. 5, 2012. Alejandro Badia, MD course chairman.

Moderator, “Business of Workers Compensation” Instructional Course 118, AAHS annual meeting, Las Vegas, Nevada. Presented “Communication via phone conference and depositions in work comp” and Carpal Tunnel endoscopic surgical demo/ teaching, Microaire ECTR symposium, January 12, 2012

“Sports Related Injuries of the Upper Limb” presented at Barbados National Olympic Team Headquarters, Bridgetown, Barbados Dec. 9th, 2011.

“Management of elbow epicondylitis”, “Hand and Upper Limb Athletic Injuries” Presented at XXIV Congreso Panamericano de Medicina del Deporte, Guadalajara Mexico, July 27-30, 2011.

“Advances in Hand, Wrist, Elbow and Shoulder Arthroscopy” presented at Puerta de Hierro Hospital, Guadalajara, Mexico July, 29, 2011.

“Wrist injuries in racket sport athletes” during EWAS session, IFSSH triennial international hand congress. “Scaphoid excision and 4 corner arthrodesis” during Wrist arthritis symposium, “Arthroscopic classification and treatment algorithm for basal joint thumb arthroscopy” while moderating small joint arthroscopy symposium during International Federation of Societies of Surgery of the Hand, Seoul, Korea Oct. 30 –Nov. 2, 2010.

“Mgmt of upper limb non-unions/malunions”, “Distal radius fractures: a treatment revolution”, “Flaps for hand reconstruction” and “Elbow arthroplasty: current concepts” presented at XXVII annual meeting of Guatemalan Orthopedic and Traumatology Society, Guatemala City, Guatemala, Oct.8, 2010.

“Arthroscopic treatment of trapeziometacarpal and STT joint arthritis” at 1st HSC Wrist Arthroscopy Course, Girona, Spain, followed by cadaver lab instructor in Munich, Germany, Sept 30th – Oct. 1st, 2010.

“Orthopedic subspecialty centers for inbound medical tourism” presented at 3rd annual Medical Tourism Association annual meeting, Los Angeles, Ca. Sept. 22,2010.

“The troublesome medial facet and distal radioulnar joint in distal radius fractures” during 2nd annual IBRA (international bone research assn.) meeting, MARC Center, Doral, Florida and live surgery transmission (distal radius corrective osteotomy) from Surgery Center at Doral, Sept. 9th and 10th, 2010.

“The importance of orthopedic subspecialty care for the injured worker” presented at annual meeting of Florida Workers Compensation Association (FWCI) Orlando, Fl August 16th, 2010.

“Wrist and hand arthroscopy principles” lecture and shoulder arthroscopy table instructor at ArthroMiami, Hotel Intercontinental, Miami Florida, July 23, 2010.

“Treatment of sports injuries to hand and upper limb: new principles” presented to members of Clinica San Borja medical staff and local orthopedists at Merck Sharp and Dohme labs auditorium, Lima, Peru, July 16th, 2010.

“Algorithm for thumb basal joint management”, “Elbow Arthroplasty update” “small joint arthroscopy tricks and pearls”, “PIP joint case discussion” at Hands Across Africa conference, Kapama game reserve, Kruger National Park, South Africa, April 28th to May 1st, 2010.

Live surgical demonstration and discussion on careers in medicine presented live to Glades middle school honors biology class, transmitted live to Miami Anatomical Research Center auditorium, Doral, Fl April 20, 2010.

“Arthroscopic Mgmt of Carpal Instability” presented at Florida Hand Society annual meeting, Orlando, Fl April 16th, 2010

Live surgical demonstration and discussion on thumb basal joint reconstruction. Two live surgeries (arthroscopy and replacement arthroplasty) procedures beamed live to Guayaquil, Ecuador for 1st Curso de Artroplastia for Ecuadorian Orthopedic Surgery Society. Doral, Fl to Guayaquil, April, 15th, 2010.

“Advances in Hand and Upper Limb Surgery” presented to physicians and local public at Hospital Santo Tomas, Panama City, Panama, April 9, 2010

“Hand and Upper Limb reconstruction: New Advances” presented to public audience at Hilton Hotel, Port of Spain, Trinidad and Tobago, Jan. 29, 2010

“Save the Trapezium: Surgical Algorithm for Basal Joint Arthritis” instructional course lecture on thumb CMC arthritis, AAHS annual meeting, Boca Raton, FL, Jan. 7th, 2010.

Cadaver surgical demonstration of phalangeal and distal radius internal fixation performed at DaVinci Center (now Miami Anatomical Research Center) for 1st, international IBRA hand & wrist internal fixation course, Doral, FL Nov.20, 2009

“Treatment of Common Hand and Shoulder Problems” presented to invited public/media at Hotel Intercontinental, Mexico City, Mexico, Oct. 24, 2009.

“Minimally Invasive Hand and Upper Limb Surgery” presented to Orthopedic surgery dept, Hospital ABC, Mexico City, Mexico, October 23, 2009.

“Metacarpophalangeal joint arthroscopy: technique and indications”, “Arthroscopic treatment of thumb basal joint arthritis”, South American Societies for Surgery of the Hand annual meeting, Cartagena, Colombia, Oct.7-9,2009.

“Avances en Cirugia de la Mano” guest lecture at CEDIMET hospital, Santo Domingo, Dominican Republic, and patient oriented lecture for the registered public at Santo Domingo Hotel ballroom, Aug. 28, 2009.

“Artroscopia de Mano y Muneca” and conducted wrist arthroscopy cadaver lab at local medical school, Arequipa, Peru, May 23rd, 2009.

“PIP joint injuries”, “Basal joint arthroscopy algorithm” presented at Hands across the Nile meeting, Nile river boat travel meeting, March 18-20th, 2009.

“Mgmt of thumb CMC arthritis” presented at Egyptian Society for Surgery of the Hand (ESSH) annual meeting, Cairo, Egypt, March 22-23rd, 2009.

“Indications for adhesion prevention barrier in hand surgery” at annual meeting of AAHS, Maui, Hawaii, Jan. 7-9,2009.

“Arthroscopic mgmt. of carpal instability” 2nd Brazilian wrist arthroscopy course, at INTO, Rio de Janeiro, Brazil. August 28-29, 2008.

“Advances in Hand and Upper Limb Surgery” presented at Marriot, Invaders Bay by invitation from Trinidad & Tobago Orthopedic Society, Port of Spain, Trinidad, July 27th, 2007.

“Arthroscopic options for Thumb Basal Joint Reconstruction” SBI small joint arthroscopy summit meeting, Miami, Fl. July 10th, 2007.

“The Surgeon as Entrepreneur: Necessities of the HMO Era in Medicine” at Cornell South Florida Business Networking meeting. Courtyard Marriot, Miami, June 19, 2007.

“Treatment algorithms for Basal Joint Osteoarthritis” presented at SBI Cadaver surgical course, RM Distributing headquarters, Milwaukee, Wisconsin, 6/16/06.

“An Arthroscopic Staging Classification for Thumb CMC Arthritis and New Treatment Algorithm” presented at Hand Surgery Grand Rounds, Mayo Clinic Dept. of Orthopedics, Rochester, Minnesota, June 15th, 2007.

“Mgmt. of Distal Radius Fractures with Volar Plating” presented at Orthofix headquarters, Dallas, Texas, May 19, 2007.

“Intramuscular vs. Subcutaneous Ulnar Nerve Transposition” debated at Managing Complicated Hand and Wrist Problems course # 3108 at Orthopedic Learning Center, Rosemont, Illinois, May 12th. Served as faculty for cadaver hands on exercises, May 11th and 12th, 2007.

“Use of Artelon and Total Joint Prosthesis within treatment algorithm for Basal Jt. Arthritis” lecture at SBI surgical skills cadaver course, U. of Texas at Houston Surgical Training Laboratory, Texas Medical Center, April 28, 29th, 2007.

“A New Treatment Algorithm for Thumb CMC Arthritis” presented at annual meeting of Florida Hand Society, Orlando, Fl April, 20, 21st, 2007.

“Suture Welding for Arthroscopic TFCC Repairs” and “Floating Lunate: Concomitant SL and LT ligament tears Managed Arthroscopically” at 2007 International Wrist Symposium post IFSSH meeting, Cairns, Queensland, Australia, March 16-19th, 2007.

“Use of Artelon in Mgmt. of Thumb Basal Jt. Osteoarthritis” lunchtime lecture given at IFSSH, triannual meeting, Sydney, Australia, March 13, 2007.

“Fixation Methods for Metacarpal Fractures and Malunions” presented at Pan Pacific Hand & Upper Limb Trauma Symposium pre-IFSSH meeting, Queenstown, New Zealand, March 7-9th, 2007.

“Treatment Options and Implants for 1st CMC Arthritis” presented multiple times to small breakout groups during worldwide corporate sales meeting Small Bone Innovations, Inc. Doral, Florida March, 3rd, 2007.

“Advances in Scaphoid Fracture Management” discussion panel and “Use of dynamic mini external PIP fixator”, “Trapeziometacarpal Arthroscopy technique” and “Percutaneous Trigger Finger Release” all demonstrated as cadaver surgical

demos during *Philadelphia Hand Course*, annual meeting “The Office: Practical Solutions to Common Problems” Philadelphia, Penn. Feb. 24-25, 2007.

“Treatment of Metacarpophalangeal Ligament Injuries of the Thumb” and “Arthroscopic Mgmt of Basal Joint Arthritis” lectured at Doctors Demystify- The Thumb, annual learning series, given at U. of Miami School of Medicine, Miami, Fl. Feb. 10th, 2007.

“Hand Problems in Musicians” lecture given at meeting of Wallenstein Musical Organization on Carpal Tunnel Syndrome: a growing problem. Miami-Dade Public Library main branch, Miami, FL, Feb 3, 2007

“Carpal Instability and Sports Wrist Injuries” at Baptist Hospital Sports Medicine Grand Rounds, Jan. 09, 2007. Moderators: Drs. Uribe and Zvijac, Doctors Hospital, Coral Gables, Florida.

“Management of Common Hand and Upper Limb Trauma” presented to Emergency Dept. physicians, Baptist Hospital, Miami, Fl. Dec. 4th, 2006.

“Athletic Injuries in Upper Extremity” presented to Sunrise Wellness Center OT/PT staff and physicians, Sunrise, Florida, Nov. 20th, 2006.

“Trilock Technology for Volar Plating of Distal Radius Fractures” presented at Medartis Headquarters, Basel, Switzerland, Nov. 13th, 2006.

“Indicaciones para artroscopia de muñeca”, “Manejo de fracturas complejas de codo”, “Manejo de fracturas de radio distal”, “Artroscopia de pequeñas articulaciones”, y “Rizartrosis: manejo artroscópico y por artroplastia” all presented at annual meeting Sociedad Costarricense de Ortopedia y Traumatología, San Jose, Costa Rica, Sept. 27-29, 2006.

“Avances en Cirugía de Mano y Miembro Superior” lecture given to faculty and medical students at Hospital Municipal, San Jose Costa Rica, Sept. 29, 2006.

“Indications for Metacarpophalangeal Joint Arthroscopy” presented for IC 14, *Innovations in Small Joint Arthroscopy*, annual meeting of ASSH, Washington, D.C. Sept. 8, 2006.

“SBI from the perspective of the surgeon”, breakfast lecture given to meeting of Small Bone Innovations employees/surgeons at ASSH annual meeting, Sept 7, 2006.

“Artroscopia para manejo de rizartrosis” y “Reconstrucción de codo incluyendo prótesis” given at Guatemala Healing Hands Foundation annual congreso de cirugía de mano, Guatemala City, Guatemala, July 14-15, 2006.

“Carpal tunnel syndrome and related conditions” presented at Baptist Primary Care symposium, Hawk’s Cay, Duck Key, Florida, June 24 2006.

“Management of Rizartrrosis with Arthroscopy”, “Metacarpophalangeal Joint Arthroscopy” given at annual meeting of Asociacion Argentina de Artroscopia (AAA), June 5th, 2006.

“Artroscopia de Muneca: Tecnica e Indicaciones Claves” lecture and cadáver wrist arthroscopic demonstration presented at XXXII Curso Anual de la Asociación Argentinian de Cirugía de Mano, Hotel Emperador, Buenos Aires, Argentina, June 2, 2006.

“Arthroscopic management of hand and upper limb pathology” presented at Baptist conference on hand surgery, Baptist Hospital, Jan. 24, 2006.

“Flexor Tendon Fixation for Early Active Motion”, “Wrist Arthroscopy for Sports Injuries”, “Management of Lunotriquetral Instability”, “Thumb Metacarpal Osteotomy”, and “Sequelae of Extra-articular Distal Radius Fractures” all presented at 31st annual meeting of the Asociacion Argentina de Cirugia de la Mano, Bariloche, Argentina, Oct.5-8th, 2005.

“Arthroplasty of the CMC joint using Total Joint Replacement or Bioresorbables” workshop lecture/surgical demonstration given with Terrence O’Donovan at annual meeting of the ASSH, San Antonio, Texas, Sept. 22, 2005.

“Lesiones deportivas de mano y muneca” y “Manejo artroscopico del codo de tenista” presented at 50th annual anniversary meeting of Sociedad Chilena de Medicina del Deporte as well as 2nd annual Congeso Latinoamericano de Traumatología del Deporte, Santiago, Chile, July 20-24, 2005.

“Arthroscopy in the management of Distal Radius Fractures”, “Trauma Indications for Elbow Arthroplasty”, and “Management of Complex Articular Fractures in the Elbow” all presented at 50th annual congress of the Sociedad Colombiana de Cirugia Ortopedica y Traumatologia (SCCOT), Cartagena de Indias, Colombia from April 27-30th, 2005.

“Management of Acute Peripheral Nerve Injuries”, and “Cubital Tunnel Syndrome” presented at Jornadas de la Sociedad Venezolana de Cirugia de Mano: Homenaje al Dr. DeSantolo, Puerto La Cruz, April 19th, 2005.

“Arthroscopy and Rigid Volar Fixation in Management of Distal Radius Articular Fractures” presented at annual meeting of Ho Chi Minh City Hand Club, Saigon, Vietnam on April 8, 2005.

“Thumb Carpometacarpal Arthroscopy and Arthroplasty” and “Metacarpophalangeal Arthroscopy Indications” presented at 1st annual Miami Hand Reconstruction Course: Arthroscopy and Arthroplasty, Miami, Florida Feb. 20, 2005.

Surgical cadaveric demonstration on Thumb Trapeziometacarpal Total Joint Cemented Arthroplasty, Miami Hand Course, Miami, FL, 2/20/05.

“Tenofix Tendon Fixation System: Una nueva tecnica para reparacion de tendones flexores” presented at curso anual de la Sociedad Venezolana para Cirugía de la Mano, Colegio Médico de Caracas, Caracas, Venezuela, Jan. 29, 2005.

“Manejo de Lesiones Deportivas en la Muneca”y “Tratamiento de Fracturas Intra-articulares del Codo” presented at 7th annual Conferencia de Medicina Deportiva, Tamanaco Hotel, Caracas, Venezuela, Jan. 28th, 2005.

“Thumb Basal Joint Arthroscopy and Arthroplasty” presented at Instructional Course: “What’s new in the Basal Joint”, AAHS annual meeting, Puerto Rico, Jan.13th, 2005.

“Advances in Upper Limb and Hand Surgery” Presentation given at conference room of Atlantic Medical Insurance Company, Nassau, Bahamas, December, 6th, 2004.

“Carpometacarpal Joint Arthroplasty with Braun Prosthesis” presented at annual sales meeting of Avanta Medical, Las Vegas, Nevada, Dec. 2, 2004.

“Manejo de Lesiones Atleticos en la Mano”, “Indicaciones por Artroscopia Metacarpofalangica”, “Artroplastia de Codo para Lesiones Traumaticas de Codo”, “Artroscopia para Manejo de Rizartrosis” y “Manejo de Fracturas de Radio Distal por Abordaje y Placa Volar” all presented at the Annual meeting of the Sociedad Boliviana de Traumatología y Ortopedia, Cochabamba, Bolivia, November 24th-27th, 2004.

“Havana 2004: One half century of stagnation” lecture presented to CASA (Cuban American Student Association) at Cornell University, Ithaca, NY October 29, 2004.

“Management of Complex Elbow Articular Fractures”, “Arthroscopic Treatment of Lateral Epicondylitis”, “Indications for Wrist and Hand Arthroscopy” and “Treatment of Athletic Wrist Injuries” presented at annual SLAOT meeting (Sociedad Latinoamericana de Ortopedia y Traumatología”, Isla Margarita, Venezuela, October 18-23, 2004.

Cadaveric Surgical demonstrations of elbow, wrist, trapeziometacarpal and metacarpophalangeal arthroscopy at combined SLAOT/ SVCOT annual meetings, Porlamar, Margarita, Venezuela. October 19/20, 2004.

“Elbow Arthroplasty for Trauma”, “Management of Athletic Wrist Injuries”, “Use of the Tenofix tendon fixation device for Flexor Tendon Injuries”, “Normal Thumb Carpometacarpal Joint Arthroscopic Anatomy and Arthritis Classification” presented at annual meeting of Asociacion Argentina de Cirugia de la Mano, Salta, Argentina, October 7-9, 2004.

“Avances en Cirugia de la Mano” informational lecture organized via Bolivian Hand Surgery Society at Camino Real Hotel, La Paz, Bolivia, October 5, 2004.

“Indications for Hand, Wrist and Elbow Arthroscopy” Presented at Arthrex Inc. Teaching Center, Naples, Florida, September, 20th, 2004.

“Management of Acute Hand and Upper Limb Trauma” Lecture given to Parkway Regional Hospital Orthopedic Residency Program, Aventura, Florida, August 3rd, 2004.

“Arthroscopic Management of Basal Joint Osteoarthritis”, “Elbow Reconstruction and Complex Articular Trauma”, “Indications for Metacarpophalangeal Arthroscopy”, “Surgical Management of Sports Related Wrist Injuries”, “Wrist Arthroscopy” and “Carpal Instability and Scapholunate Ligament Tears”. Lectures all presented at the IFSSH post-congress meeting, and combined meeting of the AAHS and Romanian Society for Surgery of the Hand in Bucharest, Romania, June 19th to 21, 2004.

“Management of Scaphoid Fractures” presented at 66th annual meeting of American Fracture Association, Miami Beach, Florida, April 23, 2004.

“Arthroscopic Management of Wrist Instability”. “Complications of Metacarpal and Phalangeal Fractures”, and panel member of “Distal Radius Fractures” symposium all presented at annual meeting of Asociacion Mexicana de Ortopedia y Traumatologia, Cancun, Mexico, Nov. 19-23, 2003.

“Arthroscopic treatment of Distal Radius Fractures”, “Elbow Arthroplasty for Trauma and Late Reconstruction”, Arthroscopy of Trapeziometacarpal and Metacarpophalangeal Joints”, “Arthroscopic management of TFCC Injuries” and “Arthroscopic Treatment of Scaphoid Fractures” presented at annual meeting of Colombian Society for Hand Surgery, Bogota, Colombia, August 28-30th, 2003.

“Treatment of Athletic Wrist Injuries”, “MCP Joint Arthroscopy”, “Arthroscopic management of Trapeziometacarpal Joint Pathology” presented at Annual meeting of Peruvian Arthroscopy Association, Cuzco, Peru, July 18-20th, 2003.

“Hand and Wrist Reconstruction for Arthritis and Trauma” Guest lecture organized by Peruvian Hand Surgery Society at Country Club Hotel, Lima, Peru Aug. 2003.

“Advances in Surgery of the Hand and Upper Extremity” Guest Lecture presented at Clinica Metropolitana, Quito, Ecuador, August 2003.

“Management of Work-Related Hand Trauma” Presented at Worker’s Compensation Medical Center’s quarterly meeting, company headquarters, Ft. Lauderdale, Fl 8/03.

“Arthroscopic Diagnosis and Treatment of the Athlete’s Wrist” Presentation given for Merck, Sharp and Dome Lecture series, Caracas, Venezuela July 2003.

“Elbow Reconstruction: Acute Trauma and Late Sequelae” Moderator/lecturer for Instructional course at annual meeting, AAHS, Kauai, Hawaii, Jan. 10th, 2003

“Management of Rheumatoid Hand” Lecturer for Instructional course at annual meeting, AAHS, Kauai, Hawaii, Jan. 10th, 2003

“Trapeziometacarpal and Metacarpophalangeal Joint Arthroscopy” presented at AANA fall course, Palm Springs, CA Nov. 18th 2002

“Treatment of Early Basal Joint Osteoarthritis with Arthroscopic Debridement and Metacarpal Osteotomy” presented at NYU-Hospital for Joint Diseases Annual Scientific Program, New York, NY Oct. 18th 2002

“Tratamiento Microquirurgico De La Mano Mutilada” (Treatment of the mutilated hand) Instructional Course given with Gustavo Garcia-Julve of Zaragoza, Spain at combined meeting of Italian and Spanish Hand Surgery Societies and Vth Ibero-American Encounter of Hand Surgery Societies, Florence, Italy Sept. 25-28, 2002

“Use of Arthroscopy for Diagnosis and Treatment of Hand and Upper Extremity Pathology” presented at Cuban Medical Convention, Miami, Florida, July 3rd 2002

“Treatment of Metacarpal Neck Fractures” given at AO Hand Course, Miami, Florida, May 31st 2002

“Elbow Arthroplasty” and “Treatment of Complex Articular Elbow Trauma” lectures at annual meeting of Venezuelan Society for Surgery of the Hand, Puerto La Cruz, Venezuela June 20-23rd 2002

“Arthroscopic Treatment of Trapeziometacarpal and Metacarpophalangeal Joint Pathology” lecture presented at Spanish Society of Arthroscopy, Salamanca, Spain May 15th 2002

Live surgical demonstration and faculty for 1st Cortina Italy wrist and hand arthroscopy symposium, Cortina d’Ampezzo, Italy, March 1st 2002

“Arthroscopy of the Hand and Wrist” Instructional Course, annual meeting of American Assn. for Hand Surgery, Cancun, Mexico Jan. 2002

Free paper session on Metacarpal fracture/ Tendon – Moderator of session, annual meeting of American Assn. for Hand Surgery, Cancun, Mexico Jan. 2002

“Volar Approach for Distal Radius fractures”, “Total Elbow Arthroplasty for Supracondylar Humerus Fractures in the Elderly”, “Basal Joint Arthroscopy for Treatment of TM Arthritis” and “Arthroscopy for Scapholunate Instability” all presented at Argentinian Society for Hand Surgery annual meeting, Rosario, Argentina. 10/01

“Artroscopia do Punho” Live Surgical Demonstration and lectures at University do Rio de Janeiro- State Hospital and Barre’d’ Or Private Hospitals, Rio de Janeiro Brazil September 21 and 22/01

“Intra-articular Elbow Fracture Treatment and Late Sequelae” Visiting lecture at Hospital Militar de Caracas, Venezuela 7/9/01

“Tratamiento Artroscopico para Rizartrosis” and “Arthroscopic Scapho-Lunate Ligament Reconstruction” presented at IVth Jornadas de Artroscopia del Hospital Policlinico de Valencia, Tucacas, Venezuela 7/6/01

“Arthroscopic Treatment of TM Arthrosis and Acute trauma” Treatment of Trapeziometacarpal Joint Pathology- One Day Course Verona, Italy March 24, 2001

Live Surgical demonstration and visiting faculty for 1st Italian Workshop on Wrist Arthroscopy, Drs. Luchetti and Atzei, Verona, Italy 3/22-23/01

Visiting Lecturer and Surgical Demonstration for wrist and basal joint arthroscopy symposium, Dept. of Orthopedic Surgery, Perugia, Italy 3/20/01

“Elbow Reconstruction” Visiting lecturer at Dept. of Orthopedics, Monza, Italy

“Use of CPM in the Upper Extremity”, CP Motion Cruise Course 2/03/01

Instructional Course Lecturer, “Basal Joint Arthritis” AAHS Annual Course, San Diego 1/12/01

“Artroscopia de Trapeziometacarpiana para artritis”, Reconstrucion de Mano Colgajos en Isla Pediculado”, and live cadaver surgical demonstrations of Miami Thenar Flap and DIP to PIP vascularized island joint transfer at Annual Meeting of the Venezuelan Society for Surgery of the Hand, Maracay, Venezuela, July, 2000.

“Arthroscopic Treatment of Thumb CMC Joint Arthritis”, “Wrist Arthroscopic Reconstruction”, “Island Flaps for the Hand”, all presented at Indo-Hiroshima

International Hand and Microsurgery Conference, Patna, Bihar, India,
December 5-7, 2000.

“The Use of Island Pedicle Flaps for Hand Soft Tissue Coverage” and “Thumb Basal Joint Arthroscopy” Presented as international lecturer for Argentinian Hand Surgery Society Annual Meeting, Mar de Plata, Argentina December, 1999.

“General indications for Wrist Arthroscopy” and “Thumb CMC Arthroscopy” Presented as international lecturer for Venezuelan Hand Surgery Society meeting, Margarita Isle, Venezuela September ‘99

“The Miami Thenar Flap for Volar Hand Reconstruction” and “Arthroscopic Reconstruction for Basal Joint Arthritis” Presented as international lecturer at Brazilian Society for Surgery of the Hand/ South American Hand Surgery Society combined meeting, Sao Paulo, Brazil 11/1/99.

"Arthroscopic treatment of basal joint arthritis". Grand rounds presentation at Kleinert Institute, Louisville, Kentucky. 7/16/99.

"DIP to PIP vascularized island flaps" and "Hand and Wrist Arthroscopy" presented as visiting lecture, Hospital Virgen de la Torre, Madrid, Spain, 5/26/99.

"Artroscopia de la muñeca y el pulgar para artritis". Presented as visiting international lecturer for arthroscopy symposium at "La Clinica Floresta", Caracas, Venezuela. 3/99

"Surgical Management of Arthritis in the Hand and Upper Extremity". Grand Rounds presentation for Mt. Sinai Dept. of Orthopedic Surgery, Miami, Fl. 1/27/99.

"Reconstruction of the Hand with Island Flaps". Copresented as Instructional Course with Roger Khouri, MD at AAHS/ASRM combined annual meeting, Hawaii. 1/16/1999.

“DIP to PIP vascularized island joint transfer for treatment of PIP arthritis”. Presented at Colombo-Venezolano Combined Hand Congress, Annual meeting of the Venezuelan Society for Surgery of the Hand, Puerto La Cruz, 6/26/98.

“Use of the Miami Thenar Flap for Volar Hand Reconstruction”, Presented at Venezuelan Hand Society annual meeting, 6/27/98.

“Management of Common Hand Problems for the Primary Care Physician”. Presented at Cuban Medical Convention, 7/1/98.

“Surgical Management of Arthritis in the Upper Extremity”. CME Lecture at Miami Heart Institute, May 13, 1998

“Management of Hand and Upper Extremity Emergencies”. Lecture at Emergency Medicine Dept. Meeting, Baptist Hospital, April 20, 1998

“Use of Island Pedicle Flaps for Hand Reconstruction”. Presented at Plastic Surgery Grand Rounds, Baptist/South Miami Hospitals, April 9, 1998

“Treatment of Work-Related Injuries”. Lecture for Worker’s Compensation Case Managers at Humana Executive Center, February 13, 1998

“Treatment of Arthritis in the Hand and Upper Extremity”. Community lecture at South Miami Hospital, July 1, 1997

“Traumatic Work Injuries in the Hand” Lecture presented at Rehability Therapy Center. June 4, 1997

“Arthroscopic Excision of Dorsal Wrist Ganglions” Presented at Florida Hand Society annual meeting. May 16, 1997

“Latest Techniques for Treating Carpal Tunnel Syndrome” Community lecture at Miami Heart Institute. March 10, 1997

“Endoscopic Carpal Tunnel/Wrist and Hand Arthroscopy” lecture series in Lima, Peru. October 1996

“Diagnostic and Therapeutic Wrist and Hand Arthroscopy” Presented at Cuban Medical Society Convention, Miami, Florida. July 1996

“Arthroscopy of the Wrist and Elbow” Presented at New York University Orthopedic Surgery Grand Rounds. November 1993

“Current Concepts in Management of Open Fractures” Presented at NYU Fracture Conference. July 1992

“Fractures of the Talus” Presented at NYU Fracture Conference. May 1992

“Traumatic Dislocations of the Knee” Presented at NYU Fracture Conference. March 1992

“Biology of Bone Grafting” Presented at NYU Grand Rounds. November 1991

VIDEO EDUCATION

Full list of VuMedi and YouTube videos available upon request
VuMedi/YouTube technique key videos (English and Spanish)

- Endoscopic cubital tunnel release
- Arthroscopic assisted distal radius ORIF
- Thumb ulnar collateral ligament repair

FAST procedure for tennis elbow
 Supracondylar open fracture plating in child
 Rotator cuff arthroscopic repair
 Clavicle plate fixation
 DeQuervain's release

“Three patients and a Doctor” – documentary on the physician-patient relationship shown at DocMiami, annual Miami documentary film festival 2010.

You Tube surgical technique videos on arthroscopic rotator cuff repair, endo carpal tunnel release, clavicle fracture ORIF, distal radius volar plating, arthroscopic scapholunate ligament pinning etc.

Reverse Shoulder Prosthesis and Total Elbow Arthroplasty – Surgical Technique videos for Tournier Inc.

CMC implant system – Surgical technique for Small Bone Innovations, November 2004.

Wrist Arthroscopy Teaching Module – Select procedures for teaching – Smith & Nephew/Dyonics

Current Concepts in Hand Surgery – spanish translation for half of topic modules, ASSH learning resource center.

Axya suture welding system – Video on TFCC Repair.

ORGANIZED MEETINGS

Lab director, IBRA seminar and cadaveric workshop, trauma and reconstruction of the upper limb, MARC Center, Miami, Fl April, 26, 2014

Hand surgery breakout session of annual Fla Orthopedic Society meeting, Sarasota, FL June 1st, 2012. Theme: Sports Injuries to upper limb

Symposium chairman: 2nd annual meeting of ISSPORTH (International Society for Sport Traumatology of the Hand). Doral Resort –Feb. 7th, 2012.

7th annual Miami Hand Course, Doral Golf Resort and Spa didactic and surgical Lab at MARC, Feb. 5,6th, 2012.

6th annual Miami Hand Course, Marriot Biscayne bay didactic session and cadaver lab at MARC, Miami, Fl Feb. 13,14th, 2011.

5th annual Miami Hand Course: Doral resort didactic session and cadaver lab at MARC with live surgery transmission from Surgery Ctr at Doral, March, 2010.

4th annual Miami Hand Course: Colonnade hotel and DaVinci learning ctr, March, 2009.

3rd annual Miami Hand Course, Colonnade hotel, Coral Gables, didactic course and cadaver surgical demo, March 2-3, 2008.

2nd annual Miami Hand Course: Arthroscopy & Arthroplasty meeting March 19th and 20th, 2006 in Coral Gables, FL

1st annual Miami Hand Course: Arthroscopy & Arthroplasty - one day course with domestic and international faculty: didactic lectures and cadaver surgical demonstrations. A. Badia – organizer/chairman Miami, February, 2005.

Hand Surgery Breakout Session – “Persistent Clinical Controversies of Common Hand/Wrist Problems” with visiting professors M. Rosenwasser and T. Hunt held at annual meeting of Florida Orthopedic Society, Key Largo, Florida May 22, 2004.

International Pre-Conference (Spanish translation) held prior to 2002 annual meeting of American Association for Hand Surgery, Cancun, Mexico January 9, 2002.

MEDICAL MISSIONS/CHARITY

Ghana - Orthopedic upper limb surgeries performed at St Joseph orthopaedic hospital, Koforidua, Ghana, north of Accra with Swiss colleague, Dr. Philippe Cuenos, March 17-26, 2017

Swim for Haiti event – Sponsor, official timekeeper for 10km open ocean swim race, Haiti Feb 18, 2017.

Guatemala – Operation Healing Hands Pediatric hand reconstructions Guatemala City

Special Olympics supporter- OrthoNOW centers provide free physicals to allow athletic participation/ sponsor an athlete

EDUCATIONAL CONFERENCES (not presenting at):

AAOS annual meeting, New Orleans, March 13-16 2014.

ASSH annual meeting, Las Vegas, Nev. Sept. 15th 2011.

ASSH annual meeting, Boston, Mass. Oct. 10th, 2010.

AAOS annual meeting, New Orleans, La. March 13-16, 2010.

Medica Fair, Dusseldorf, Germany, Nov, 15-17, 2006.

Federation of European Societies for Surgery of the Hand meeting, Goteburg, Sweden, June, 2005.

Total Shoulder/ Reverse Shoulder Prosthesis Observership with Dr. M. Frankle, Tampa General Hospital, Tampa, Fl , March 7th , 2005.

SICOT annual international congress, Havana , Cuba, 9/28-30 2004.

Shoulder Arthroscopy cadaver course, AANA fall course, 10/02.

AO Latin American Alumni Meeting, Mangarataiba, Brazil 10/23-26/01

Tampa Shoulder and Elbow Symposium, Tampa General 6/3-6/5/99.

Federation of European Societies for Surgery of the Hand annual meeting, Bologna, Italy. June 14-18th, 1997.

Perspectives on Wrist Arthroscopy, AAOS Learning Ctr., Chicago April 95

Southwestern Orthopaedic Surgery Board Review, Dallas, Texas May 12-15th, 1994.

NYU Upper Limb and Spine Orthotics and Prosthetics Course, NY, NY 4/94.

Seminar in Musculoskeletal Pathology, W.F., Enneking, Marineland, FL April 19-3th, 1993

Bellevue Microsurgery Course, NY, NY April 5-9, 1993.

NYU Lower Limb Orthotics and Prosthetic Course, NY, NY March 22-26th, 1993.

Hand Surgery Regional Review Course NY, NY November, 1991.

AO/ASIF Residents Basic Course NY, NY October, 1991.

Management of Trauma in the Upper Extremity, AAOS Course, San Diego California, October 1991.

Allografts and Clinical Applications, Memorial-Sloane Kettering Seminar November, 1991.

Trauma About the Shoulder Girdle, Hospital for JT. Diseases, NY May 1991.

RESEARCH EXPERIENCE:

Research Assistant for Charles Weiss, M.D., Director, Arthritis Research Institute and Chairman, Department of Orthopedics and Rehabilitation, Mt. Sinai Medical Center, Miami Beach, Florida, Summer 1987.

Research Assistant for Mariano J. Rey, M.D., Assistant Professor of Medicine, NYU School of Medicine and Director, Cardiopulmonary Exercise Laboratories, NYU-Bellevue Medical Centers. Summer 1986.

Research Assistant for Joseph E. LeDoux, Ph.D., Assistant Professor of Neuroscience, Laboratory of Neurobiology, Cornell Medical College, NY, NY. Summer 1984.

Research Assistant for Timothy DeVoogd, Ph.D., Associate Professor of Neurobiology, Cornell University, Ithaca, NY. Fall Semester 1983.
